This is a very special finca located near Corvera International airport and 5 km from the town of Fuente Álamo set in a beautiful setting surrounded by almond trees. This finca has a main building, as the residential house, an out building which houses 4 double bedrooms each with an ensuite, wardrobe and front door, another outbuilding of 80m<sup>2</sup>, currently used as storage and an unfinished structure, designed to be a detached 3 bedroomed villa. Situated on a plot of 4400 m<sup>2</sup>, of which 255 m<sup>2</sup> built and also a veranda of 50 m<sup>2</sup>. Built in 1928 and renovated in 2008. The main house has a kitchen with a dining room area which is connected with living-dining room with a featured fireplace that connects with the rest of the rooms and a...
