Modern Duplex only a stones throw from the beach. Located in a quiet area of Puerto de Mazarron called Playa Grande, this property has been modernised to a high standard. All the white goods and air-con units are of well known brands; e.g: Bosch and Mitsubishi ...All the security grills have been powder coated to give them that extra protection against corrosion. The front patio has a plunge pool and side drive way with a covered porch, creating a shaded area to sit. Under the porch are lockable store cupboards. The ground floor of the property enters through the living room, has a large modernly equipped kitchen and a downstairs double bedroom with an ensuite toilet. A marble staircase takes you to a further 2 double bedrooms and ...
