2 bedroom, 2 bathroom apartment with sea views. This apartment has a large terrace with sea views which can be accessed from the living room and the front bedroom via sliding patio doors. There is a fully tiled bathroom with bathtub. The living/dining room is very bright and has a special featured wall creating a passage way between the living room and the bedroom and bathroom. There is a small kitchen which has a back door which leads out onto another terrace. The second double bedroom has a fully tiled ensuite with shower. Access to this top floor apartment is from the road above, where there is an allocated parking space and only a few steps down to the apartment. Low community fees and pre installation air-conditioning through...
