Semi-detached corner triplex in the Bolnuevo, walking distance all the amenities and local beach. The property has two entrances and three floors, if we enter from the top we enter the living room with the fully equipped and open kitchen. On the same floor there is a bathroom with a shower, from the dining room you go out to a balcony and a large terrace which has been glazed and is used as a Winter garden. From the two terraces you have access by a staircase to the bottom where there is a large terrace and an outside toilet and a storage room. The large garage has access by an internal staircase to the house. On the top floor we have three double bedrooms with built-in wardrobes, a family bathroom with a bathtub and from the mast...
