Lovely Semi-Detached Townhouse upon entering the property through double gates we find a front terrace where there is space to park a car and enjoy a nice seating area at the front of the house. Down the side and around the back there is also terracing. In the back we have a Barbecue where we can enjoy a good dinner on summer nights. The entrance to the house is lateral; the living room is to the right at the front of the house, a large kitchen to the left at the back of the house with access to the back terrace and a downstairs bathroom with shower. Upstairs we find, a complete bathroom with a large walk-in shower, a single bedroom, a double bedroom and a master bedroom with a built-in wardrobe and access to balcony. From the bal...
