A tidy terraced house set in a gated complex with a community swimming pool. This property benefits from two entrances, one direct from the street to the property and the other through the gated complex. The property is located away from the swimming pool giving this property that extra peace and quiet in the busy seasons. There are two terraces front and back which allows the choice of a sunny terrace or a shady terrace. The spacious lounge has a fire place and A/C units installed. There is a fully fitted independent kitchen and a downstairs toilet. Upstairs leads to two large bedrooms and a family bathroom. The North facing bedroom has access to a small balcony, ideal to sit out and relax on a hot evening. The south facing bedro...
