A beautiful stunning private detached 8 bed property with 360° views of the country side and mountains in the distance. With this property it has its very own orchard, where you are spoilt with numerous fruit, nut and olive trees. There are many outside areas to entertain, with a 9m x 4m fiberglass pool and garage, this house and land has plenty of storage in and out. From the front of the property a very large area to park many vehicles large or small with a wash area including. Plot totally walled and also gated off sections. The property is a must see and has great potential to possibly be a Bed & Breakfast. Very well placed upon a main road with villages only 3 minutes, where there are local schools and amenities.
