Apartment, Puerto de Mazarron

99,900€

Immaculate apartment with garage, storage room, lift and community pool on a small gated complex of 12 apartments. The main entrance to the building is flat with no steps and houses all the post boxes. Upon entering the apartment we find a small hallway, which has a built-in wardrobe for that extra storage. The fully fitted equipped kitchen has an added utility room. There are two double bedrooms with built-in wardrobes and in between a family bathroom with a bathtub. The nicely decorated living-dining room which comes with a dining area has access to a private terrace where there is room for a table and chairs, this terrace will benefit from the morning sun. There is central heating with radiators which run off the main communal ...
