This is an unique country property, as it is very close to the beach and has nice sea views. The house sits on a gated plot and there is plenty of space to install a swimming pool. There is also a garage to one side of the property and there is the possibility to convert the upper level into extra rooms. The main living area is on one level, which consists of 4 double bedrooms, a large bathroom with shower cubicle, a large open living room and an independent fully fitted kitchen, which has a back door to the outside. At the back of the property is a staircase to an upper level, which can be converted into extra living space or storage. There is a self contained living room which has a fire place and open fitted kitchen. The second ...
